

Throw it away? No way!

On the 4th Saturday of every month (9am-noon) area residents have the opportunity to bring their broken items to the Repair Café, where volunteers use their skills to help repair these items **for free**. We also share some social time, with coffee or a nice cup of tea and cookies. This adventure not only brings our community together to help our neighbours, it also lengthens the life of the items repaired/mended, diverts items going to our landfill and saves taxpayers money!

We are currently looking for volunteers to join our repair team. If you like to fix/mend things and would like to get involved with this exciting project, please get in touch with Barry Tatchell at Barry.Tatchell@rogers.com.
